

To all teachers of science in grades 5-12:

“*Science On The Move*” is a statewide project to provide students in South Dakota with high-quality science lab experiences. If you are not familiar with the Mobile Science Labs (MSLs), please visit the website www.camse.org/scienceonthemove/ to learn all about our great science activities and experiences for you and your students.

Professional development summer workshops for the Mobile Science Labs are scheduled for the following dates:

June 9-13, 2008- Black Hills State University, Spearfish

June 23-27, 2008 - South Dakota State University, Brookings

Teachers who are selected to attend this workshop will:

- receive extensive training on the lab activities and use of the equipment aboard the MSLs;
- receive a \$400 stipend;
- be eligible for a visit by the MSL to their school during the 2008-2009 school year;
- receive free room and board for the week;
- have the opportunity for 2 graduate credits at reduced tuition, or 2 certificate renewal credits.

If you are a previous workshop participant please encourage other teachers in your school and surrounding schools to attend.

Workshop space is limited, so apply early!

To apply for this workshop, complete the enclosed application and return to:

Mobile Science Lab Teacher-Training Workshop
Center for the Advancement for Math & Science Education
Black Hills State University
1200 University Unit 9005
Spearfish, SD 57799-9005

Fax: (605) 642 – 6871

E-mail: JulieDahl@bhsu.edu

DEADLINE FOR RECEIPT OF APPLICATIONS IS April 1, 2008. Applicants will be notified about the status of their application as soon as possible, and no later than May 2.

If you have any questions, please contact me at opbroekja@santel.net

Sincerely,

Gerry Opbroek

Coordinator, SD Mobile Science Labs
