

**To all teachers of science in grades 5-12:**

“*Science On The Move*” is a statewide project to provide students in South Dakota with high-quality science lab experiences. If you are not familiar with the Mobile Science Labs (MSLs), please visit the website [www.camse.org/scienceonthemove/](http://www.camse.org/scienceonthemove/) to learn all about our great science activities and experiences for you and your students.

Professional development summer workshops for the Mobile Science Labs are scheduled for the following dates: **June 5-9, 2006 – Black Hills State University, Spearfish**  
**June 19-23, 2006 - South Dakota State University, Brookings**

Teachers who are selected to attend one of these workshops will:

- ☐ receive extensive training on the lab activities and use of the equipment aboard the MSLs;
- ☐ receive a \$250 stipend;
- ☐ be guaranteed a visit by the MSL to their school during the 2006-2007 school year;
- ☐ receive free room and board for the week;
- ☐ have the opportunity for 2 graduate credits at reduced tuition (approximately \$60/credit), or 2 certificate renewal credits.

Previous workshop participants - please encourage other teachers in your school and surrounding schools to attend a workshop.

Workshop space is limited, so apply early!

To apply for one of these workshops: download/complete the enclosed application and send it to CAMSE either by:

Fax: 605/642-6871  
E-mail: [cathybergey@bhsu.edu](mailto:cathybergey@bhsu.edu),  
Mail: CAMSE, Black Hills State University  
1200 University, Unit 9005  
Spearfish, SD 57799-9005

**It is important that you ONLY rank those workshops that you are committed to attending.  
Do NOT rank a workshop if the dates or location are not acceptable to you.**

***Please be certain to include your summer contact information on the application.***

**DEADLINE FOR RECEIPT OF APPLICATIONS IS APRIL 5, 2006.** Applicants will be notified about the status of their application as soon as possible, and no later than May 1, 2006.
